

VAT PHIRUN

Graphic Designer & Web Developer

PROFILE

Third-year MIS student at SETEC Institute with hands-on experience in both graphic design and full-stack web development. Delivered 20+ design projects for local businesses including logos, commercial posters, and brand materials. Built and deployed 9+ web applications using Angular, Node.js, and MySQL. Proficient in Adobe Photoshop, Illustrator, Figma, and Premiere Pro. Seeking an internship opportunity to contribute creative and technical skills to a professional team while growing toward a senior role.
